

## AIMS Scores for Happy Valley School (Spring, 2009)

The results below represent the percentage of students whose scores fell into the two "Passing" categories ("Meets the Standard" and "Exceeds the Standard") on the AIMS Test. The passing rate for all Happy Valley students is reported for each grade level. Test results for all students in charter and district schools who took the test in Arizona are also presented in the tables below.

Based on past test results, Happy Valley School was designated an "Excelling" Arizona school, which is the highest level of achievement. This is the third consecutive year that Happy Valley School has earned this designation.

Averages for:	Grade Level	# Students	Reading	Writing	Math	Science
Happy Valley	3	111	97%	94%	89%	N/A
All Students in Arizona		81,257+	72%	79%	68%	N/A
Happy Valley	4	86	94%	97%	96%	88%
All Students in Arizona		82,328+	72%	83%	74%	57%
Happy Valley	5	60	91%	94%	95%	N/A
All Students in Arizona		81,000+	74%	79%	72%	N/A
Happy Valley	6	19	90%	100%	89%	N/A
All Students in Arizona		80,800+	70%	86%	68%	N/A

## TerraNova Scores for 2<sup>nd</sup> Grade Students at Happy Valley School (Spring, 2009)

Scores are reported by Median National Percentile (%ile) rank. A score of **74 %ile** means that the student(s) scored as well as, or higher than, **74** percent of **ALL** students at that grade level who took the test. The **Median National Percentile Rank** for all students who took the test in the nation, is **50 or (50<sup>th</sup> %ile)**. The table below indicates that the average reading score for all students in grade 2 at Happy Valley was **74<sup>th</sup>** percentile; **72<sup>nd</sup>** percentile in Language Arts; and **83<sup>rd</sup>** percentile in math. We use scores to identify opportunities to improve instruction in different subject areas.

Averages for:	Grade Level	Approximate # Tested	Reading	Language Arts	Math
Happy Valley	Grade 2	133	74 %ile	72 %ile	83 %ile
Median National Score		Not Available	50%ile	50%ile	50%ile
