Happy Valley School: Everyone, Every Day: High Standards, High Achievement

AzMERIT Testing

will be administered to 3rd – 6th grade students,
April 14th – 16th

**Please be sure that your child gets a good night's sleep every night & starts the day off with a good breakfast.*

**Students need to be on time every day for class. Testing begins the first period of the day. Students may not go into the classroom if they arrive after testing begins. They must wait until the next session starts, which would be approximately 1 ½ hours & must make up the portion of the test they missed next week.*

**If students are absent for a day of testing or for any complete section of the test, they will make it up the following week.*

**Please do not send your child to school ill, or if there is a possibility that they will become ill. If they become ill during a test & need to leave, they will not be able to finish the test later or make up that test.*

**If a student is pulled out of class after testing has begun, they will not be allowed to make up the portion of any test they have started, but not completed. If they do not complete any one section they will not get a score for that entire subject in the testing results.*

**If you need to take your child to a doctor, dental or other appointment the week of testing, please try to make the appointment for later in the afternoon or after school.*

From Tuesday, April 14 thru Thursday, April 16, we are asking that guests refrain from coming to have lunch with their students.

Access to the building during testing week will be closed since students will be testing in the rooms adjacent to the cafeteria.

Thank you!

A Note from the Principal

Parents,
AzMERIT, Arizona's new standardized test, will start at HVS on April 14th. The test will be administered to children in grades 3-6. Below is a link to 11 ways to help your child prepare for standardized testing.
