

Mr. Colann's Future Engineers: Disney Inspired Science (Part 2!)

(S.T.E.M. based activities)

This is a special edition of Future Engineers! We will be exploring different science activities that have been inspired by Disney movies and television shows. We will even be creating edible science projects that will be very fun and tasty. The topics will take us from the depths of the earth to the outer reaches of space. Create items that can soar through the sky and space as we learn about the environment around us with Disney connections. If you missed out on the last session, you won't want to miss this one.

Session 2: Weeks of March 12-May 7

K-6th grade: Thursdays 3:00-4:00

(3/15, 3/29, 4/5, 4/12, 4/19, 4/26, 5/3, 5/10)

Cost: \$60 for the 8-week session

Teacher: Mr. Colann

Contact: dcolann@happyvalleyschool.org

Room 112
