

Dear HVS Families,

Our first Box Top collection date is quickly approaching! Our school wide goal will be \$600 for this collection. If we reach that goal, we will be awarded an extra free dress day for the month of October and music at recess!

All you have to do is continue to clip the old style box tops and send them in to your teacher by October 23rd. Also, download the new Box Tops App, register and start scanning all grocery receipts. Do not send in the new label as we will not get credit for it.
