

CULTURE CLUB COME EXPLORE

Travel the world in Mrs.
Shen's Culture Club!

Each week we will learn
about a new country in
detail. We will watch short
videos, listen to **music**, and
learn basic **phrases** that are

used in each country. We will create crafts related to the different
cultures, and we will end each lesson by tasting **delicacies** from
the country of the day. Become more worldly through interactive
and fun activities with me!

Please email me at vshen@happyvalleyschool.org with any
allergies your student has.
