

Permission to Walk Home from Bus Stop

I give my permission for my child(ren) to walk home from the bus stop. There will not be an adult to walk them from the stop. The bus stop is the final destination for my children on the trip home. I understand that the responsibility for the safety and behavior of my children after they have been dropped off is mine, not the responsibility of the bus driver or the school.

For the safety of the children, we recommend that children do not walk home from the bus stop alone, that an adult or an older child be present at the stop to walk with them. This service cannot be extended to children in kindergarten and first grades, unless they are accompanied by an older sibling or adult who will be at the stop to walk with them.

I understand that if an adult or an older sibling or child is not at the stop to walk with my kindergarten or first grade student, the bus driver will not allow the student to get off at the bus stop to walk home.
