Dear Families – Get ready to have fun and save lives! Our Kids Heart Challenge program is kicking off on October 6th!

We are proud to support the American Heart Association! Together, we'll empower our students to have happy and healthy hearts and brains, while raising lifesaving donations to help others with special hearts.

Our goal is to have 100% of our school families join our online team and learn Hands-Only CPR through Finn's Mission.

Don't wait, join our team TODAY!

Students who join the team early and complete Finn's Mission will get recognized at our student-only assembly AND will be entered into a raffle for a chance to win an avocado warmie! If we reach our school goal, top students get to silly string our principal, Mrs. McDonald.
