BRICK FUNDRAISER HAPPY VALLEY SCHOOL

As a way to honor the Gaddie family and all the wonderful students, staff, and families that make Happy Valley School great, we invite you to participate in a project to update the existing garden area through the purchase of dedication bricks.

You may customize a brick for a student or staff member (past or present) or for your family. Consider including your class year or other positive message. The dedication bricks will help fund the project and, as a part of the garden design, serve as a lasting tribute, paving the way for generations to come.

BRICK DETAILS: The bricks are 4"x 8"x 2 1/4" and are engraved using state of the art laser technology. Every brick engraving is guaranteed for life! Your brick can contain up to 3 lines of text (limited to 20 characters per line). You also have the option to include a clipart image on the left side of your inscription.

Extended through September 30, 2024

Ordering opens May 1, 2024 and closes ~~August 31, 2024~~, however, we encourage you to order early so we can begin to plan placement of the dedication bricks. We hope to have the bricks installed and project complete by the fall of 2024. We will invite all those that dedicate a brick to a small celebration when the project is complete.
