

HAPPY VALLEY SCHOOL

TECHNOLOGY AGREEMENT

RESPECTFUL

- When my teacher is talking or giving instructions, I will not be on the device.
- I will not allow the device to distract me from learning.
- I will handle the keyboard, mouse, headphones and screen with care, I will not pound the keys on the keyboard, slam the mouse or hit the table.

SAFE

- I will only use the internet to search for content that is school appropriate.
- I will not change any settings, add, or remove any apps.
- I understand that using devices in class is a privilege; if I choose to break this agreement at any time, I will lose my privileges.

RESPONSIBLE

- I will only use the device at the appropriate time and visit sites that my teacher instructed me to.
- I will properly handle my device with care.
- I will sign out and return the device to its original condition when I am finished.
- I will always keep food and drinks away from my device.
- I will only log into my own account and never use a peer's account to access the device or internet.
- I will report any misuse of devices to my teacher immediately.
- I will report any changes to settings, damage, error codes, or computer needs to my teacher.
- Parents may be responsible for the replacement of damaged items.
