

HVS Parent Portal Agreement

September 3, 2024

Dear Happy Valley Parents,

We are excited to announce that we are ready to open our Parent Portal so you may assess your child’s academic progress.

Prior to providing you with access, we need you to complete a few steps.

- Each parent is required to sign, date, print and return this Parent Portal Agreement.
- You will receive a separate email in the coming days with instructions on how to access the portal
- Parent Portal Access will be available anytime on our website www.happyvalleyschool.org

By requesting access and thereby receiving a school login, you agree to the following Terms of Network Access.

- I will maintain a valid email address that HVS may use to send me the pertinent information regarding my Parent Portal Account.
- I will only attempt to view information about my student(s). I will not attempt to “hack”, manipulate, or otherwise attempt to evade the protective security of my student or any other person.
- I understand that all information stored in the database remains the property of HVS, and may be accessed, examined, or modified by the school.
- I agree I will not disclose my login password to any person, not even other people in my family or household. I accept responsibility for all actions that are performed by anyone gaining access to the database using my login/password.
- I understand that HVS retains the discretion to block my access to this database whenever it has reasonable suspicion to believe that I have violated one of the foregoing Terms of accessing this database and/or other Network resources.
