Section 1 Scope of Work

BACKGROUND

Happy Valley School, hereby referred to as the School Food Authority (SFA), seeks to contract with a Caterer to prepare and deliver specified meals under the: **National School Lunch Program (NSLP)**

The SFA is a **charter** school with **2** sites and approximately **585 for HV and 600 for BB** students in grades **K-8 (HV), K-6 (BB)**. It serves approximately **125 for HV and 450 for BB** meals daily and requires catering services for the upcoming school year. The Caterer must follow the United States Department of Agriculture (USDA) regulations regarding contracting for the Child Nutrition Programs.

This Request for Proposal (RFP) is intended to provide a basis for selection of a Caterer. The selected Caterer shall be responsible for the delivery of meals **INCLUSIVE** of milk and shall bring meals that comply with the requirements of the programs listed in the Background Section of this Agreement.

The meals will be delivered in **UNITIZED (HV) BULK (BB)** form. The Caterer shall transport the meals to the site location(s) on the day(s) and times(s) listed in Exhibit H. The SFA **WILL NOT** need a server.

In submitting a proposal, the Caterer agrees that it shall perform the work described in their RFP Proposal and Agreement in full compliance with all applicable laws, rules, and regulations adopted or promulgated by any Federal or State regulatory body or governmental agency. By reading and accepting this pre-qualification outline, the interested Caterer acknowledges that the SFA has no obligation to contract, unless, in its sole opinion, it is in its best interest to do so.

School Food Authority (SFA) Responsibilities:

- A. The SFA will adhere to the following Code of Federal Regulations (CFR) in the oversight of the food service program.
- (1) The SFA shall adhere to the procurement standards specified in 7 CFR 210.21 when contracting with a Caterer. [2 CFR 200.319]
 - (2) The SFA shall ensure that the food service operation is in conformance with the SFA's agreement under the program.
 - (3) The SFA shall retain control of the nonprofit school food service account and overall financial responsibility for the food service operation, as well as the prices charged to the children for meals.
 - (4) The SFA shall retain signature authority on the Food Program Permanent Service Agreement, Free and Reduced-Price Policy statement, and claims. [7 CFR 210.21(b)]
 - (5) The SFA shall retain control of the quality, extent, and general nature of the food service, including counting and claiming meals. [7 CFR 210.21(b)]
 - (6) The SFA shall monitor all meals to ensure the meals are in conformance with program regulations.
 - (7) The SFA shall maintain responsibility for the application process for all free and reduced-price meals and shall establish and notify parents and guardians of program criteria for eligible students. The SFA shall be responsible for verifying applications for free and reduced-price meals as required by USDA regulations. The SFA will ensure that no child is discriminated against on the basis of race, color, national origin, age, sex, or disability. Both the SFA and the Caterer shall be responsible for protecting the anonymity of students receiving free or reduced-price meals. [7 CFR 245.6]
 - (8) The SFA shall obtain written approval of requests for proposals (RFP) before their issuance. The SFA must incorporate all Arizona Department of Education (ADE) required changes to its solicitation documents before issuing those documents.
 - (9) The SFA shall ensure that ADE has reviewed and approved the contract terms and that the SFA has incorporated all ADE required changes into the contract or amendment before any contract or amendment is executed. Any changes made by the SFA to the prototype contract must be approved in writing by ADE before the contract is executed. When requested, the SFA must submit all procurement documents by the due date set by ADE.

(10) Every school year, prior to February 1, the SFA with more than one school shall perform no less than one on-site review of the lunch counting and claiming system and the readily observable general areas of review as identified under 7 CFR 210.18(h) in each school operating the National School Lunch Program (NSLP) and 50% of schools operating the School Breakfast Program (SBP) under its jurisdiction. In addition, schools operating Breakfast in the Classroom (BIC) are encouraged to observe as many classrooms as they deem necessary. While the annual requirement is to complete 50% of the schools approved to participate in the SBP in the SFA's jurisdiction, each school approved to participate in the SBP must be reviewed at least once every two years. If the review discloses problems with a school's meal counting or claiming procedures, the SFA shall ensure that the school implements corrective action; and, within forty-five (45) days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problem. Each on-site review shall ensure that the school's claim is based on the counting system authorized by the State agency under 7 CFR 210.7(c) and that the counting system, as implemented, yields the actual number of reimbursable free, reduced-price and paid lunches, respectively, served for each day of operation. [7 CFR 210.8(a)(1)]

B. The SFA will maintain a written code of conduct that prohibits real or apparent conflict of interest and disciplinary actions that are to be applied for violations of such standards. [2 CFR 200.318(c)(1)]

C. The SFA will maintain written procurement procedures that ensure full and open competition exists to the maximum extent possible. [2 CFR 200.319]

D. The SFA will conduct all procurement for the Child Nutrition Programs in accordance with 2 CFR 200.318-326.

The Caterer shall assure that each meal provided to the SFA under this Agreement meets the minimum requirements for reimbursable meals that meet nutrition standards stated in section 201 of the Healthy, Hunger-Free Kids Act of 2010 (Pub. The meal shall include the following components: fruits, vegetables, grains, meat/meat alternates, and fluid milk. If the SFA participates in SFSP, the Caterer shall meet the requirements of 7 CFR 225.

The Caterer must adhere to the approved proposed cycle menu. ***Complete Attachment 6.3 for each program.***
- H. The Caterer shall provide successive cycle menus that offer the same level of quality, variety, and nutritional value as the cycle menu submitted with this proposal.
- I. Any changes to the menu made after SFA approval must be agreed upon by the SFA and documented on the menu records. The SFA shall notify the Caterer in writing within **7 business days** of receipt of the next period's proposed cycle menu, of any changes, additions, or deletions. Menu items may be adjusted in writing by the mutual consent of both parties.
- J. The Caterer shall adjust the menus at the request of the SFA whenever the SFA determines certain items to be unacceptable. Such items can be determined to be unacceptable because of:
 - (1) A monotonous diet resulting from items served frequently or the similarity to other items,
 - (2) The nutritional needs of the students,
 - (3) Susceptibility to spoilage, or
 - (4) Excessive waste resulting from unpopularity of items with students.
- K. The SFA shall be responsible for informing the Caterer of its reasons for determining that a meal is unacceptable in writing within forty-eight (48) hours of when the meal is delivered to the site.
- L. Such adjustments shall be made at the earliest convenience of both parties, but in no instance later than one week after request except that in the case of spoilage adjustment shall be made in such a manner that the children in attendance on the day spoilage is discovered shall receive acceptable meals meeting meal requirements.

M. The SFA participates in the USDA Foods Fresh program, and it is the intent of the SFA that such items will be included in menus for the selected program(s) listed in the Background Section of this Agreement to the greatest extent possible.

6. Contract Changes.

A. Amendments: This Contract is issued under the authority of the Procurement Officer who signed this Contract. The Contract may be modified only through a Contract Amendment within the scope of the Contract signed by the Procurement Officer. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by an unauthorized employee or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized written Contract Amendments, shall be void and without effect, and the Contractor shall not be entitled to any claim and this Contract based on those changes.

(1) The parties cannot alter any provision in this Agreement that is required by any law, rule or regulation. A. Termination for Conflict of Interest: Per A.R.S. §38-511 the SFA may cancel this Contract within three (3) years after contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of the SFA is, or becomes at any time while the contract or an extension the Contract is in effect, an employee of or a consultant to any other party to this contract with respect to the subject matter of the contract. In the event of termination under this paragraph, all documents, data, and reports prepared by the Contractor under the contract shall become the property of and be delivered to the SFA. The contractor shall be entitled to receive just and equitable compensation for work in progress, work completed, and materials accepted before the effective date of the termination. (2) State and Local Transaction Privilege Taxes. The SFA is subject to all applicable State and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect taxes from the buyer does not relieve the seller from its obligation to remit taxes.

(3) Tax Indemnification. The Contractor and all Subcontractors shall pay all Federal, State, and local taxes applicable to its operation and any persons employed by the contractor. Contractor shall, and require all Subcontractors to, hold the SFA harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Workers' Compensation.

D. Availability of Funds for the Next Fiscal Year: Funds may not presently be available for performance under this contract beyond the current fiscal year. The SFA shall make reasonable efforts to secure such funds.

12. Fingerprint Checks.

A. In accordance with A.R.S §15-512(H), a contractor, subcontractor, or vendor or any employee of a contractor, subcontractor or vendor who is contracted to provide services on a regular basis at an individual school may be required to obtain a valid fingerprint clearance card pursuant to Title 41, Chapter 12, Article 3.1. An exception to this requirement may be made as authorized in Governing Board policy.

B. Contractor, subcontractors, vendors, and their employees shall not provide services on SFA properties until authorized by the SFA.

C. Contractor shall comply with the Governing Board's fingerprinting policies of the SFA.

13. Gift Policy. The SFA will not accept gifts, gratuities, or advertising products from vendors. The SFA has adopted a zero-tolerance policy concerning vendor gifts. The SFA may request product samples from vendors for official evaluation with disposal of those said samples at the discretion of the Procurement Officer.

14. Inclusive Offeror. Offerors are encouraged to make every effort to utilize subcontractors that are small, women-owned, and/or minority-owned business enterprises. Offerors who are committing a portion of their work to such subcontractors shall do so by identifying the type of service and work to be performed by providing detail concerning your organization's utilization of small, women-owned, and/or minority business enterprises. Emphasis should be placed on specific areas that are subcontracted and percentage of contract utilization and how this effort will be administered and managed, including reporting requirements.

15. Integrity of Offer. By signing this Offer, the Offeror affirms that the Offeror has not given, nor intends to give any time hereafter any economic opportunity, future employment, gift, loan gratuity, special discount, trip favor, or service to any employee of the SFA in connection with the submitted Offer. directly serve the SFA or its clients and may involve access to secure or sensitive data or personal client data or development or modification of software for the SFA shall be performed within the borders of the United States. Unless specifically stated otherwise in the specifications, this definition does not apply to indirect or “overhead” services, redundant back-up services or services that are incidental to the performance of the contract. This provision applies to work performed by subcontractors at all tiers.

18. Risk and Liability.

A. Risk of Loss: The contractor shall bear all loss of conforming material covered under this contract until received by authorized personnel at the location designated in the purchase order or Contract. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials shall remain with the Contractor regardless of receipt.

B. General Indemnification: To the extent permitted by A.R.S. §41-621 and §35-154, the SFA shall be indemnified and held harmless by the contractor for its vicarious liability as result of entering into this Contract. Each party to this contract is responsible for its own negligence.

(1) The Caterer shall indemnify, defend, and hold the SFA harmless against any loss of damage (including attorney’s fees and costs of litigation) caused by the Caterer’s negligent act or omission, theft by the Caterer’s employees, or the negligent or intentional acts or omissions of the Caterer’s agents or employees. The Caterer shall defend any suit against the SFA alleging personal injury or property damage arising out of the transportation of meals or other items to the Site(s) or out of the acts of the Caterer’s employees, and any suit alleging bodily injury, sickness, or disease arising out of the consumption of the meals delivered by the Caterer to the Food Service Site(s), and shall be liable for any damages agreed to by the parties or awarded as a result of such litigation.

(2) The SFA shall promptly notify the Caterer in writing of any claims against the Caterer or the SFA and, in the event a suit is filed, shall promptly forward to the Caterer all papers in connection therewith. The Caterer shall not incur any expense or make any settlement without the SFA’s consent. However, if the Caterer refuses or neglects to defend any such suit, the SFA may defend, adjust, or settle any such claim, and the costs of such defense, adjustment, or settlement, including reasonable attorney’s fees, shall be charged to the Caterer.

C. Indemnification - Patent and Copyright: To the extent permitted by A.R.S. §41-621 and §35-154, the contractor shall indemnify and hold harmless the SFA against any liability, including costs and expenses, for infringement of any patent, trademark, or copyright arising out of contract performance or use by the SFA of materials furnished or work performed under this contract. The SFA shall reasonably notify the contractor of any claim for which it may be liable under this paragraph.

D. Force Majeure:

(1) Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this contract if and to the extent that such party’s performance of this contract is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injections-intervention-acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence.

(2) Force Majeure shall not include the following occurrences:

(a) Late delivery of equipment or materials caused by congestion at a manufacturer’s plant or elsewhere, or an oversold condition of the market; or

(b) Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or

(c) Inability of either the contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses, or permits.

(3) If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified-return receipt requested, and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that results, or effects of such delay prevent the delayed party from performing in accordance with this contract.

(4) Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

E. Third Party Antitrust Violations: The contractor assigns to the SFA any claim for overcharges resulting from antitrust violation the extent that those violations concern materials of services supplied by third parties to the contractor toward fulfillment of this contract.

19. SFA Contractual Remedies. Appendix II to 2 CFR 200(A)

A. Right to Assurance: If the SFA in good faith has reason to believe that the contractor does not intend to or is unable to perform or continue performing the contract, the Procurement Officer may demand in writing that the contractor give a written assurance of intent or ability to perform. Failure by the contractor to provide written assurance within the number of days specified in the demand may, at the SFA option, be the basis for terminating the contract under the Uniform General Terms and Conditions.

B. Stop Work Order:

(1) The SFA may, at any time, by written order to the contractor, require the contractor to stop all or any part, of the work called for by this contract for a period of up to ninety (90) days after the order is delivered to the contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.

(2) If a stop work order issued under this clause is canceled or the period of the order or any extension expires, the contractor shall resume work. The Procurement Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be amended in writing accordingly.

C. Non-exclusive Remedies: The rights and the remedies of the SFA under this contract are not exclusive.

D. Nonconforming Tender: Materials supplied under this contract shall fully comply with the contract. The delivery of materials or a portion of the materials in an installment that do not fully comply constitutes a breach of contract. On delivery of nonconforming materials, the SFA may terminate the contract for default under applicable termination clauses in the contract, exercise any of its remedies under the Uniform Commercial Code or pursue any other right or remedy available to it.

E. Right to Offset: The SFA shall be entitled to offset against any sums due the contractor, any expenses or costs incurred by the SFA, or damages assessed by the SFA concerning the contractor's nonconforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform General Terms and Conditions.

20. Terrorism Country Divestments. Per A.R.S. §35-392, the SFA is prohibited from purchasing from a company that is in violation of the Export Administration Act.

- (4) Adequately contained, packaged, and marked as the contract may require, and
- (5) Conform to the written promises or affirmations of fact made by the contractor.

C. Fitness: The contractor warrants that any material or service supplied to the SFA shall fully conform to all requirements of the Solicitation and all representations of the contractor and shall be fit for all purposes and uses required by the contract.

D. Inspection/Testing: The warranties set forth in subparagraphs A through C of this paragraph are not affected by inspection testing of or payment for the materials or services by the SFA.

E. Exclusions: Except as otherwise set forth in this contract, there are no express or implied warranties or merchant ability fitness.

F. Compliance with Applicable Laws: The materials and services supplied under this contract shall comply with all applicable Federal, State, and local laws, and the contract shall maintain all applicable licenses and permits. The law of the State of Arizona shall govern this Agreement.

The Offeror shall not contact or direct inquiries concerning this Solicitation to any other employee unless the Solicitation specifically identifies a person other than the Solicitation contact person as a contact.

If the Procurement Officer determines that an aggregate award to one Offeror is not in the SFA’s interest, “all or none” Offers shall be rejected.

B. Contract Commencement: An Offer does not constitute a contract, nor does it confer any rights on the Offeror to the award of a contract. A contract is not created until the Offer is accepted in writing by the SFA with an authorized signature of the Offer and Award Form. A letter or other notice of award or of the intent to award shall not constitute acceptance of the Offer.

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
